UPDATE

From the Desk of Mayor Judy Paul...

The Town of Davie approved its FY2015 budget on September 17, 2014. The FY2015 budget includes no increase in the Operating Millage Rate or Fire Assessment; however, there will be a slight increase in the Solid Waste Assessment due to contractual obligations. In addition, there will be a reduction in the Debt Service Millage Rate for FY2015. Thanks to Town Administrator Richard J. Lemack and his team once again for achieving this arduous challenge.

The Youth, Education and Safety Advisory Committee (YESAC) is an initiative developed to keep Town Council well informed of the needs and desires of the youths and teens in the Town and thus provides an avenue where they can be addressed. With the reconfiguration of the committee, Human Resources Director Stacey H.S. Hipsman was appointed as the new Town Council Liaison so as to mirror the other education and safety programs in the Town. Meetings will be held on a monthly basis so as to keep abreast of the ongoing projects that require continuous intervention. Several goals for the committee were established, including reinvigorating the scholarship program, identifying safety programs, participating in and expanding the Town's Public Affairs Academy, introducing programming recommendations for Student Government Week, and creating mentoring programs.

On August 27, the Florida Department of Transportation (FDOT) held a public meeting to offer the residents an opportunity to discuss and to acquire firsthand knowledge of the I-75 Express Lanes Construction with the project team. The third of four sections (Segment D) began construction in September and will extend along I-75 from south of Sheridan Street to north of Griffin Road. Segment D is anticipated to be completed in September 2017 and is estimated to cost approximately \$80 million. I am especially proud to say that with the new construction, FDOT will finally be constructing a sound barrier wall along the Ivanhoe Community. We have waited a long time for this day!

On October 26, please join me in celebrating our Annual Halloween Happenings event from 1– 5 p.m. at Pine Island Park, 3801 South Pine Island Road. Come out to see the South Florida Trail Riders Horse Parade or visit the South Florida Cloggers Haunted House. You can also participate in our costume contest or visit the Halloween Pumpkin Patch. Residents are invited to enjoy the FREE bounce houses, climbing wall, Halloween games, petting farm, and listen to spooky music.

The Town's annual Veterans Day Ceremony will be held on Tuesday, November 11 at Veterans Park in east Davie. The program starts at 10 a.m. The Town will be honoring World War II, Korean War, and Vietnam War veterans with brief remarks from those who were in those conflicts, a 21-gun salute, bag pipes, a riderless horse, and the voice of Richie Supa, formerly of Aerosmith, singing his original song, Put a Face On Me. Join us to thank our veterans for their selfless service to our nation. Parking for this event will be located at the fenced vacant lot on the corner of Davie Rd. and S.W. 38th Ct. Signs will be posted along Davie Rd. and at the parking lot for easy identification by the public. A shuttle bus will be available beginning at 9:30 a.m. and will run continuously between Veterans Park and the parking lot. Please use the satellite parking lot as there will be no parking spaces available at the park other than for special guests and for people with disabled parking permits.

As the holiday season draws closer, I want to invite all residents to the Town of Davie's Annual Holiday Lighting of the Greens. The event will take place on December 7, at 6 p.m., at Town Hall, 6591 Orange Drive. Please watch as Council assists me with turning on the holiday lights and decorations and officially announces that it is holiday time here in Davie. I encourage schools, civic groups/organizations, businesses, and others to sign up as sponsors to decorate a Christmas tree, Menorah or a Kinara. Please arrive early to watch Santa drive up in a fire engine and to have your picture taken with him! Please come out to enjoy the refreshments and the many activities that will be available, including our famous snow play! Admission to the event will be FREE.

I am challenging everyone to stay fit and healthy by attending daily Zumba classes, which are held Monday - Friday, from 8 – 9 a.m. and 6 – 7 p.m. at the Pine Island Fitness Center. I implore you to check out our newly renovated fitness center, which boasts a full line of strength and cardiovascular training equipment, locker room facilities, personal trainers, and is open 7 days a week. The fitness staff welcomes any questions or comments you may have. Please call them at 954-327-3926, or email Guy_Dicarlo@davie-fl.gov for more information.

Thoughts and Comments from the Town Council...

The Town recently voted on the tax rate for the next fiscal year. The good news is that our tax base grew last year, and we were able to hold the line on the millage rate. The Town's staff did a great job on the budget. I had a couple of requests with this year's budget, and they were implemented. I want to highlight one item in particular, more days and longer hours for the Betty Booth Roberts Pool. Next year,

it will be open about three more weeks. I am proud that Davie's taxes continue to be among the lowest in Broward County. One last note on the budget, I always vote against the fire assessment, not because I don't support our firefighters, but I don't like the methodology in which it is calculated.

The flood zones in Davie have been remapped. I recently received notification from my flood insurance carrier that I was no longer required to have flood insurance because of where my home is located. I decided to keep it anyway. Check with your carrier and determine the best decision for your home.

The Concerts on the Corner series have resumed. These events are growing and are a lot of fun. My colleagues at work who don't even live in Davie come here for the fun. If you are a foodie, the food trucks are here for the concerts.

The holiday season is right around the corner. As many people know, I often travel to Texas during the holiday season. Now that my mother is a resident of Davie, I get to spend that time here. Welcome to Sunny Florida Mom!

As always, thank you for the privilege of serving our community. I have an open door policy and if you need assistance, please call me at 954-797-1030. Don't be shy. Even if it is a complaint, if we don't know about a problem -- we can't fix the problem.

Councilmember Susan Starkey—District 3

At the final budget hearing on September 17, Town Council passed a balanced budget for the Town of Davie. We were able to reduce the debt service millage rate while maintaining the operating millage rate and fire assessment. Thanks to Town Administrator Richard J. Lemack and Town staff for working relentlessly to ensure that our Town vision and goals are top

priority.

As we continue to recover and to move towards a state of fiscal prosperity, we have seen a steady increase in the population growth here in the Town of Davie. With this population increase comes diversification of our residents and an increase in single-family home ownership, apartments, and condos. This new growth will result in additional investment opportunities for our businesses.

As our weather welcomes us outside, I am expecting to see all of our residents come out to enjoy the parks and trails here in the Town. We have several parks, open spaces & trails for our residents to venture out to explore.

I hope everyone has been enjoying the Concerts on the Corner series for Fall 2014. This free event is sponsored by the Community Redevelopment Agency (CRA) and KISS 99.9 Country. Our first Concert of the season featured Big and Rich and was well-attended by residents from all over Broward County. So far, the concerts have been a great success.

I am inviting all residents of Davie to come out to enjoy the festivities at the 15th Annual Holly Day Parade on December 6 at the Forest Ridge Community. The parade will begin at 1 p.m. and will start at the entrance to Forest Ridge through Forest Ridge Circle and will run west toward Old Orchard Road. Take your family, picnic chairs, and a blanket and enjoy the parade!

In commemoration of Broward County's 100-year anniversary, Broward County is commissioning murals to create a tribute to the county's history. The Old Davie School Historical Museum was chosen as one of the sites in Broward County for a mural. The mural will be on the wall facing Griffin Road and will be visible from Griffin Road.

The Town of Davie is a member of the Broward Water Partnership's Water Conservation and Incentives Program. The program offers Davie residents rebates and water-conserving devices to help make water conservation a top priority and a way of life. To qualify for this program, please visit www.conservationpays.com to apply for the rebate to replace your toilet with a WaterSense Certified High-Efficiency toilet.

I encourage all residents to attend the Town of Davie's Actors Community Theater (ACT) at the Pine Island Multipurpose Facility. Performances are held throughout the month of November. For more information on showtimes, please call 954-327-3941 or 954-473-0372, or e-mail actofdavie1999@yahoo.com or fernkatz1955@yahoo.com.

I look forward to seeing all residents of the Town attend our holiday celebrations: the Christmas Tree, Menorah and Kinara Decorating Contest on December 3, the Lighting of the Greens and Snow Play on December 7, and the Town of Davie Green Fair and Holiday Craft Show on December 13 & 14.

Now that I am retired from 38 years of teaching, I look forward to continue serving the residents of District 2.

Councilmember Marlon Luis—District 4

In the FY2015 budget year, the Town merged the Community Redevelopment Agency and the Housing and Community Development Department into the Office of Community Development, with newly appointed Director Giovanni Moss. Mr. Moss has led a distinguished career with Davie and, most recently, served as the Housing and Community Development Director.

The new office will consist of two divisions: the Community Service Division and the Community Redevelopment Agency Division. This recent move is to promote more synergy and efficiency to better assist our residents and to carry out strategic priorities.

We are honored to call Davie the home of the Young At Museum and Broward County Library (751 S.W. 121st Avenue). This 55,000-square-foot Gold LEED-certified facility hosts unique cultural and educational exhibits, such as GreenScapes, which encourages you and your child to reconnect with nature, discovering the potential of art to call attention to environmental issues. You can learn more about the museum at youngatmuseum.org or see page 11 for additional information.

The Town's last Household Hazardous Waste (HHW) and Electronics Recycling event of the year will be held on Saturday, December 6, 2014, from 8 a.m. to 4 p.m. at Shenandoah Park (14452 Shenandoah Parkway). Residents can dispose of such HHW items as aerosol cans, cleaners, and pesticides. In addition, residents can recycle old computers, TVs, and other electronic devices. Please call Sun Bergeron at 954-680-6100 for additional information.

This is my last message for 2014, so I want to wish you a happy and healthy Hanukkah, Christmas, and New Year! Please be safe during the holidays, and share the roadway with your fellow neighbors.

Sustainable Davie

The Town of Davie is proud to introduce Sustainable Davie, our all-inclusive program for environmental action, conservation, and all things green that showcase the growth and progress made in our community in sustainable development. The link for the Sustainable Davie webpage is conveniently located under Hot Topics on the front page of the Davie website, www.davie-fl.gov. This article guides you through some of the information that is provided on the site.

Sustainable Davie's 10 sections, awards and recognition, community outreach, energy and air quality, farming and rural lifestyle, recycling, sustainability action plan, initiatives, trails, public transportation, and water conservation, showcase the Town's sustainable development.

Promoting and implementing efficiency and conservation through Town programs, such as recycling, has turned the Town of Davie into a leader in sustainable communities. Davie has taken a holistic approach with sustainability in the Town, and it has been integrated into all Town departments as well as many local companies.

For more information about Sustainable Davie, contact the Town of Davie Planning and Zoning Department at 954-797-1103.

The Town of Davie has been improving its efforts to become a more sustainable community. A sustainable community can be described as a place that "fosters commitment, promotes vitality, builds resilience, acts as stewards, and forges connections beyond the community."

Sections of Sustainable Davie:

1. Awards and Recognition

This showcases awards that the Town has won in its sustainability efforts such as:

- Silver LEED Certified Green Local Government by FGBC
- Milestone Achievement Award from ICLEI
- Outstanding Forestry Program from the Florida Urban Forestry Council
- Green organizations we are members of, such as:
 - U.S. Green Building Council (USGBC)
 - Florida Green Building Coalition (FGBC)
 - Florida League of Cities (FLC)
 - Broward League of Cities (BLC)
 - International Council for Local Environmental Initiatives (ICLEI) and many more

It also recognizes the efforts we have made using grants to implement sustainable initiatives, like expanding our recycling program and restoring native tree canopy.

2. Community Outreach

This section provides several links to programs, initiatives, and information on how people can get involved in sustainability in homes and community. The links include:

- Davie Wildlife Habitat Community Project – where you can certify your residence or organization as a Wildlife Habitat.

- Broward NatureScape – helps you to create Florida-friendly landscapes that conserve water, protect water quality, and enhance wildlife.

Other links featured: Florida-Friendly Landscaping, Conservation Pays, Broward County - Close the Loop, Greening Your Scene

Award, and Davie Clean Water.

3. Energy and Air Quality

To help your home or business become more energy-efficient, there are links to:

- FPL Energy Efficiency Page – shows you how to use less energy in your home.

- Electronics recycling
- Recyclebank Rewards Program and much more!

6. Sustainability Action Plan (SAP)

This section explains the Sustainability Action Plan, a comprehensive plan that serves to protect, conserve, and improve the environment and our community.

The SAP is the Town's first effort to combine existing and future sustainable initiatives into one unified framework that draws upon social, environmental, and economic development tools.

It outlines each chapter and gives a better understanding of the plan.

7. Town Initiatives

The Town initiative page features a compiled list of accomplishments the Town of Davie has completed concerning the environment and sustainability. It is organized into different sections based on what type of accomplishment it is. Some goals we have completed are:

- Town Council adopting requirements for “Florida-Friendly” landscaping practices and irrigation systems, which promote water conservation and water-quality improvement.
- The Town Council adopting the “Sustainability Guide” to raise awareness of green building practices and serving as an educational resource for residents and developers.
- Retrofitting the interior lights at Town Administration offices and Housing and Community Development, Orange Park Community Center, and EASE Foundation with energy-efficient light bulbs that contain lower mercury.

Youth Education and Safety Advisory Committee

In December 2009, one of the grants issued by the Town of Davie Youth Education Safety Advisory Board funded a butterfly garden at Silver Ridge Elementary School. We asked Karen Gonzalez, the teacher from Silver Ridge who applied for the grant for an update and were pleased with her news:

My, how our little garden has grown!

A starter seed in the form of a grant from the Town of Davie Youth Education Safety Advisory Board has blossomed into something beautiful. Since that start, we have watered, weeded, planted, and pruned our gardens, and we now have two butterfly havens that have also become certified as Wildlife Habitats from the National Wildlife Federation and Naturescape Broward. These gardens have allowed us to support many life science lessons with our students and help them to develop a sense of wonder toward the natural world. We are grateful for the start the Advisory Board provided us.

To raise additional funds to support the upkeep of the gardens, we have sold T-shirts and canvas bags donned with environmental messages. Our afterschool Ecology Corps students provide the sweat equity!

Our biggest financial support came from winning Broward County’s P3 Eco Challenge in 2013. (P3 = Protecting our Planet for Posterity.) That award money also enabled us to grow a reading garden outside our media center. We are grateful to the Town of Davie Arboretum for a lovely white crepe myrtle that shades a corner of this new green space. Additionally, Whole Foods Market provided us with another majestic shade tree.

By far, our most exciting news is the arrival of the rare atala butterflies! These native species of greatest conservation need (as so deemed by Florida’s State Wildlife Action Plan) were once thought to be extinct, but are making a comeback in areas where a conscious effort to plant their host plant, the coontie, is found. Silver Ridge is so proud to be a part of this effort and to have these lovely little beauties floating through our campus!

On September 5, Silver Ridge Elementary School had the honor of being a stop on the U.S. Department of Education’s Green Strides Tour. Our students led the way through the campus, sharing their expertise of our school’s green spaces, including our vegetable gardens. Along the tour, our atalas rose from their overnight roost in spectacular glory, wowing the crowd almost as much as our students already had!

We didn’t know how far our little garden would grow, but are so pleased that the Town of Davie YES Advisory Committee grant has helped us to develop green spaces on our campus and to grow nature lovers who inspire others.

Call 954-797-1213.

Winter holidays are a time for families and friends to get together. But that also means a greater risk for fire. Following a few simple tips will ensure a happy and fire-safe holiday season.

HOLIDAY DECORATING

- Be careful with holiday decorations. Choose decorations that are flame resistant or flame retardant.
- Keep lit candles away from decorations and other things that can burn.
- Some lights are only for indoor or outdoor use, but not both.
- Replace any string of lights with worn or broken cords or loose bulb connections. Connect no more than three strands of mini light sets and a maximum of 50 bulbs for screw-in bulbs. Read manufacturer's instructions for number of LED strands to connect.
- Use clips, not nails, to hang lights so the cords do not get damaged.
- Keep decorations away from windows and doors.

HOLIDAY ENTERTAINING

- Test your smoke alarms and tell guests about your home fire escape plan.
- Keep children and pets away from lit candles.
- Keep matches and lighters up high in a locked cabinet.
- Stay in the kitchen when cooking on the stovetop.
- Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them.
- Provide large, deep ashtrays for smokers. Wet cigarette butts with water before discarding.

Before Heading Out or to Bed

Blow out lit candles when you leave the room or go to bed. **Turn off** all light strings and decorations before leaving home or going to bed.

FACTS

Two of every five home decoration fires are started by candles.

Nearly half of holiday decoration fires happen because decorations are placed too close to a heat source.

The “Shop with a Cop” event at the Davie Walmart was held in August with 25 students from the PAL chosen to participate.

Walmart donated \$625 in gift cards. The Davie FOP Lodge #100 bought backpacks for each student, and the PAL gave \$10 in additional gift cards to each student.

The students and officers shopped together for back-to-school supplies. The event was a great success with a very large turnout. The families and staff at Walmart were very appreciative of everybody's efforts.

Fire & Police Expo is February 7, 2015

Don't miss the Fire & Police Expo at 1230 S. Nob Hill Road, from 10 to 2 p.m. Food trucks will be on site. A great community event to get to know your fire and police personnel. Lots of exhibits and demonstrations. Fun for the whole family!

Charity Softball Tournament

The Davie Police will be hosting the 6th Annual Charity Softball Tournament this year to benefit Make-A-Wish, Southern Florida's nonprofit corporation. The tournament will be dedicated to Dillon Brooks, the son of Detective Andrew Brooks, and Justin Fabian Jemison, nephew of Davie Police Officer Jessica Figueroa. The local foundation helps to brighten these families' lives. The tournament will be held on November 14, 2014, from 8 a.m. to 6 p.m. at Bamford Fields located at Pine Island Park, 3801 South Pine Island Road, Davie FL 33324. In Davie, art meets literacy to provide one of the most unique cultural and educational experiences in the country at the Young At Art Museum and Broward County Library.

Within the walls of the 55,000 square-foot Gold-LEED® Museum is a 10,000 square-foot library branch that includes more than 15,000 books, as well as ebooks, CDs, DVDs, stationary computers and more.

"Art and literacy programs are integrated between the Museum and Library to provide a very special and enhanced cultural and learning experience for families throughout South Florida," said Young At Art Museum Executive Director/CEO Mindy Shrager.

One of the most extraordinary collaborations happens every April when the Museum and Library partner for YAA Festival of the Arts. Enhancing the festival's artistic components for children and teens, the Library secures prominent authors for book readings and more.

Past participants have included such celebrated authors as Lisa Service, Dr. John Becker and Mahalia Solages.

Museum campers, ages 3 -14, are given the opportunity to use the Library to research artistic projects in which they are engaged, especially during summer camp sessions when every Thursday is Library Exploration Day.

The YAA Museum Preschool also integrates use of the Library into its curriculum with weekly visits where the children find books relating to each month's focus and to participate in story time conducted by YAA's preschool teachers.

"Reading and learning are fundamental skills that are applied to all aspects of daily life," said Library Director Skye Patrick. "We are very pleased to be able to combine our educational services with Young At Art Museum to provide a myriad of opportunities for cultural engagement all under one roof for everyone in the community to enjoy."

The Library is open seven days a week to coincide with the Museum's hours and offers free public library services, including the use of library materials, Internet access, meeting and tutoring rooms, numerous volunteer opportunities and programs for adults, children and teens.

U.S. Marine Corps Reserve Toys for Tots

The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November, and December each year and to distribute those toys as Christmas gifts to less fortunate children in the community in which the campaign is conducted. Since 1775, the Marine Corps has defended freedom and democracy – a duty they have fulfilled with honor, courage, and commitment. As they have fulfilled that duty, Marines have earned a well-deserved reputation for toughness.

However, there is another side to the Marine Corps, the side that springs from a genuine concern for the communities in which they live and a deep compassion for the underprivileged children of America. That's the side that exemplifies the spirit of the Marine Corps. That side is found in the U.S. Marine Corps Reserve Toys for Tots Program. For the past several years, the Town of Davie has collected hundreds of toys by being an official collection center. Once again, you can donate an unwrapped gift at Town Hall, 6591 Orange Drive, or the Multipurpose Center, 3801 S. Pine Island Road, beginning after Thanksgiving.

Wednesday Evenings from 7:30 – 8:20 p.m. starting in October

Under the moon and lights of Waterford's enclosed hockey rink, pet dog agility will bring out the joy in you and your dog. Participants will teach their dogs to run tunnels, the pause box, weave poles, hoops, shoots, and ladders as time permits. Dogs will learn to perform on the equipment as well as the important behaviors of "come when called and stay." Dogs must be friendly to both people and other dogs. It's preferable to bring a crate or a pen for your dog. Motivating training treats and toys are necessary.

Saturday mornings from 9:00 – 9:50 a.m. starting in October.

Robbins Lodge Park

4005 S. Hiatus Rd., Davie, FL 33330

Teaching dogs to control themselves is a big ticket item in dog training. From not jumping on people to not pulling on leash to not jumping over you to get out of the car or running out the front door. That's a lot of nots! And there's even more nots than that! If you'd like your dog to "hold his horses" and learn to control his impulses, this is the class for you. Students must bring motivating training treats to class.

Tricks and Treats

Five weekly 50-minute classes, \$99

Saturday mornings from 10:00 – 10:50 a.m. starting in October.

Robbins Lodge Park

4005 S. Hiatus Rd., Davie, FL 33330

Training tricks is an excellent way to discover and show off your dog's talents while exercising his mind and body and your funny bone. The tricks taught will depend on class participants, but may include bow, spin, crawl, roll over, ring bell, say prayers, and jump. We can customize tricks for dogs with disabilities. Bring your old dog and teach him new tricks! Students must bring motivating training treats to class each week.

HOWLIDAY HAPPY HOUR

Five weekly 50-minute classes, \$99

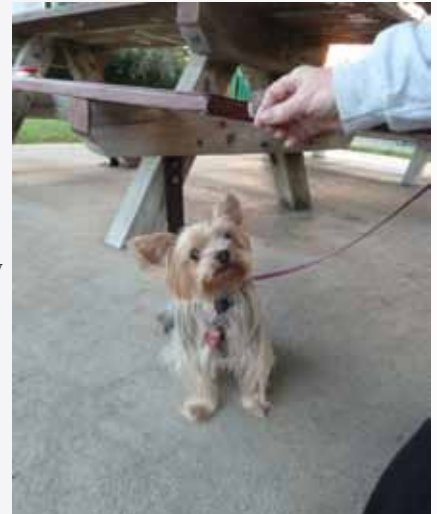

Saturday mornings from 11:00 – 11:50 a.m. starting in October.

Robbins Lodge Park

4005 S. Hiatus Rd., Davie, FL 33330

Halloween, Thanksgiving, Christmas: In this innovative class, participants will be exposed to a variety of holiday ideas, training, and even crafts that center around our beloved dogs. We'll learn how to prompt our dogs to participate in festive holiday photos and teach them to wear hats, tutu collars, or more elaborate costumes.

We'll play games to entertain our dogs just for fun, to occupy them for those times folks stop by to visit, or to keep them entertained during their alone time. We'll share recipes for holiday dog cookies and make inexpensive holiday-themed dog toys as well as learn what to look for when buying toys for our dogs. We'll also teach our dogs a trick or two to show off to friends and family. Join the fun! Students must bring motivating training treats to class each week.
